

## This Great Sale is Losing Money for a Few of You People

Every time you have an opportunity to SAVE money on something you need and don't, you lose.

For instance, 20 per cent. to 35 per cent. discount on Chairs, Tables, Beds, Rugs, etc., means a saving of \$1.00 to \$10.00, according to what you NEED.

If you let this opportunity go by, the very article you want will be purchased by someone else. Then you will pay some day a higher price for a similar article. The difference is what you lose.

Save that money! Be thrifty, even if you can afford to spend more; put the saving in other things. Get double value. Be one of the many women who profit by this great 25th Anniversary Sale now on, but closing next Saturday night.

Macabees of Harmon review were out in numbers last evening for their annual sleighride. Ideal weather conditions prevailed and large accommodations were ample enough to care for more than 100 people who patronized the ride. Plainfield was the destination of the sleighing party and on their arrival the Macabees sat down to a substantial chicken pie dinner served at the inn. Afterward there was an impromptu program of dancing, which did not conclude until the outing party was ready to return, near midnight.

### TALK OF THE TOWN

Edward B. Guyer of Eastern avenue left the city last night for northern New York, where he was summoned by the serious illness of his grandmother.

Ensign Parsons, who has been connected with the Salvation Army corps in Barre for the past year, left last night for New Britain, Conn., whither she has been transferred by the adjutant general of New England.

Manager Clinton F. Miller of the Consolidated Lighting Co. left this morning for Middlebury, where he is to be one of the representatives of the company at a hearing before the state public service commission. Mr. Miller expected to be joined at Montpelier by Supt. H. D. Larrabee of the Tenney service.

A special car attached to the Green Mountain express, arriving in Barre at 8:05 o'clock this morning, brought a delegation of nearly 40 "Dokies" back from Lyndonville, where they attended a ceremonial of Suadath temple, No. 140, D. O. K. K., last evening. "Dokies" from nearly every town in the state where Pythians are connected with Suadath temple were present at the meeting and there was a representative assembly of New Hampshire members present. Seven candidates were escorted through the burning sands to Mecca and a substantial banquet followed the ceremony. Visiting members of the craft were royally entertained by the Lyndonville "Dokies." Festivities ended for the Barre and Montpelier delegates at 1 o'clock, at which time the train for Barre made a quick adjournment necessary.

With spring coming on apace, plans for building operations in the spring and summer of 1916 are maturing rapidly. Rumors that at least three stonehedges are to be built have not been confirmed, but the Presbrey-Coykendall company has made formal application and received a permit to erect an annex to its Willey street plant that will be a good-sized stonehedge in itself. The addition is to be 105 feet long, to conform with the present plant in height and width. A sizeable addition to the office is to be built also. Dr. H. Nelson Jackson of Burlington has practically completed plans for adding a third story to his business block on North Main street. If he carries out his present plans the appearance of the structure will be materially improved. It is probable that the third story will be equipped with a fire escape.

Barre school teachers are in receipt of a program of exercises to be used in the public schools throughout the state on the anniversary of Vermont's admission to the union. Just 125 years ago March 4, Vermont, the first state to be joined to the sisterhood after the Revolution, became a part of the growing nation. As the anniversary occurs on Saturday it has been suggested that the exercises be held on the Friday afternoon preceding March 4. Tabloid history of Vermont's achievements and references to her native sons are printed in the pamphlet, which also includes Charles H. Darling's poem entitled, "Where Vermont Comes In," a song, "Vermont," by Helen M. Winslow, to be sung to the tune of "America," and "The Song of the Young Vermonters," to be sung to the tune of "Maryland, My Maryland." The material for the program was collected by the Greater Vermont association.
